There are no implied or expressed guarantees on the pro-forma. Real Estate investments are subject to risk and loss of capital. The pro-forma numbers are projections based on historical data but future performance cannot be guaranteed as markets and economics shift. Rents, property taxes, insurance, loan rates, maintenance, and vacancy costs all vary depending on micro and macro economic factors. Investors should perform their own due diligence in order to best forecast the potential performance of their rental properties. Rates and terms are subject to change and will be based on the applicants credit and financing program chosen. A loan estimate of actual costs will be prepared by the mortgage broker at time of application. Professional home inspections are recommended.
